Submitted on 6 Dec 2024

HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

HAL Authorization

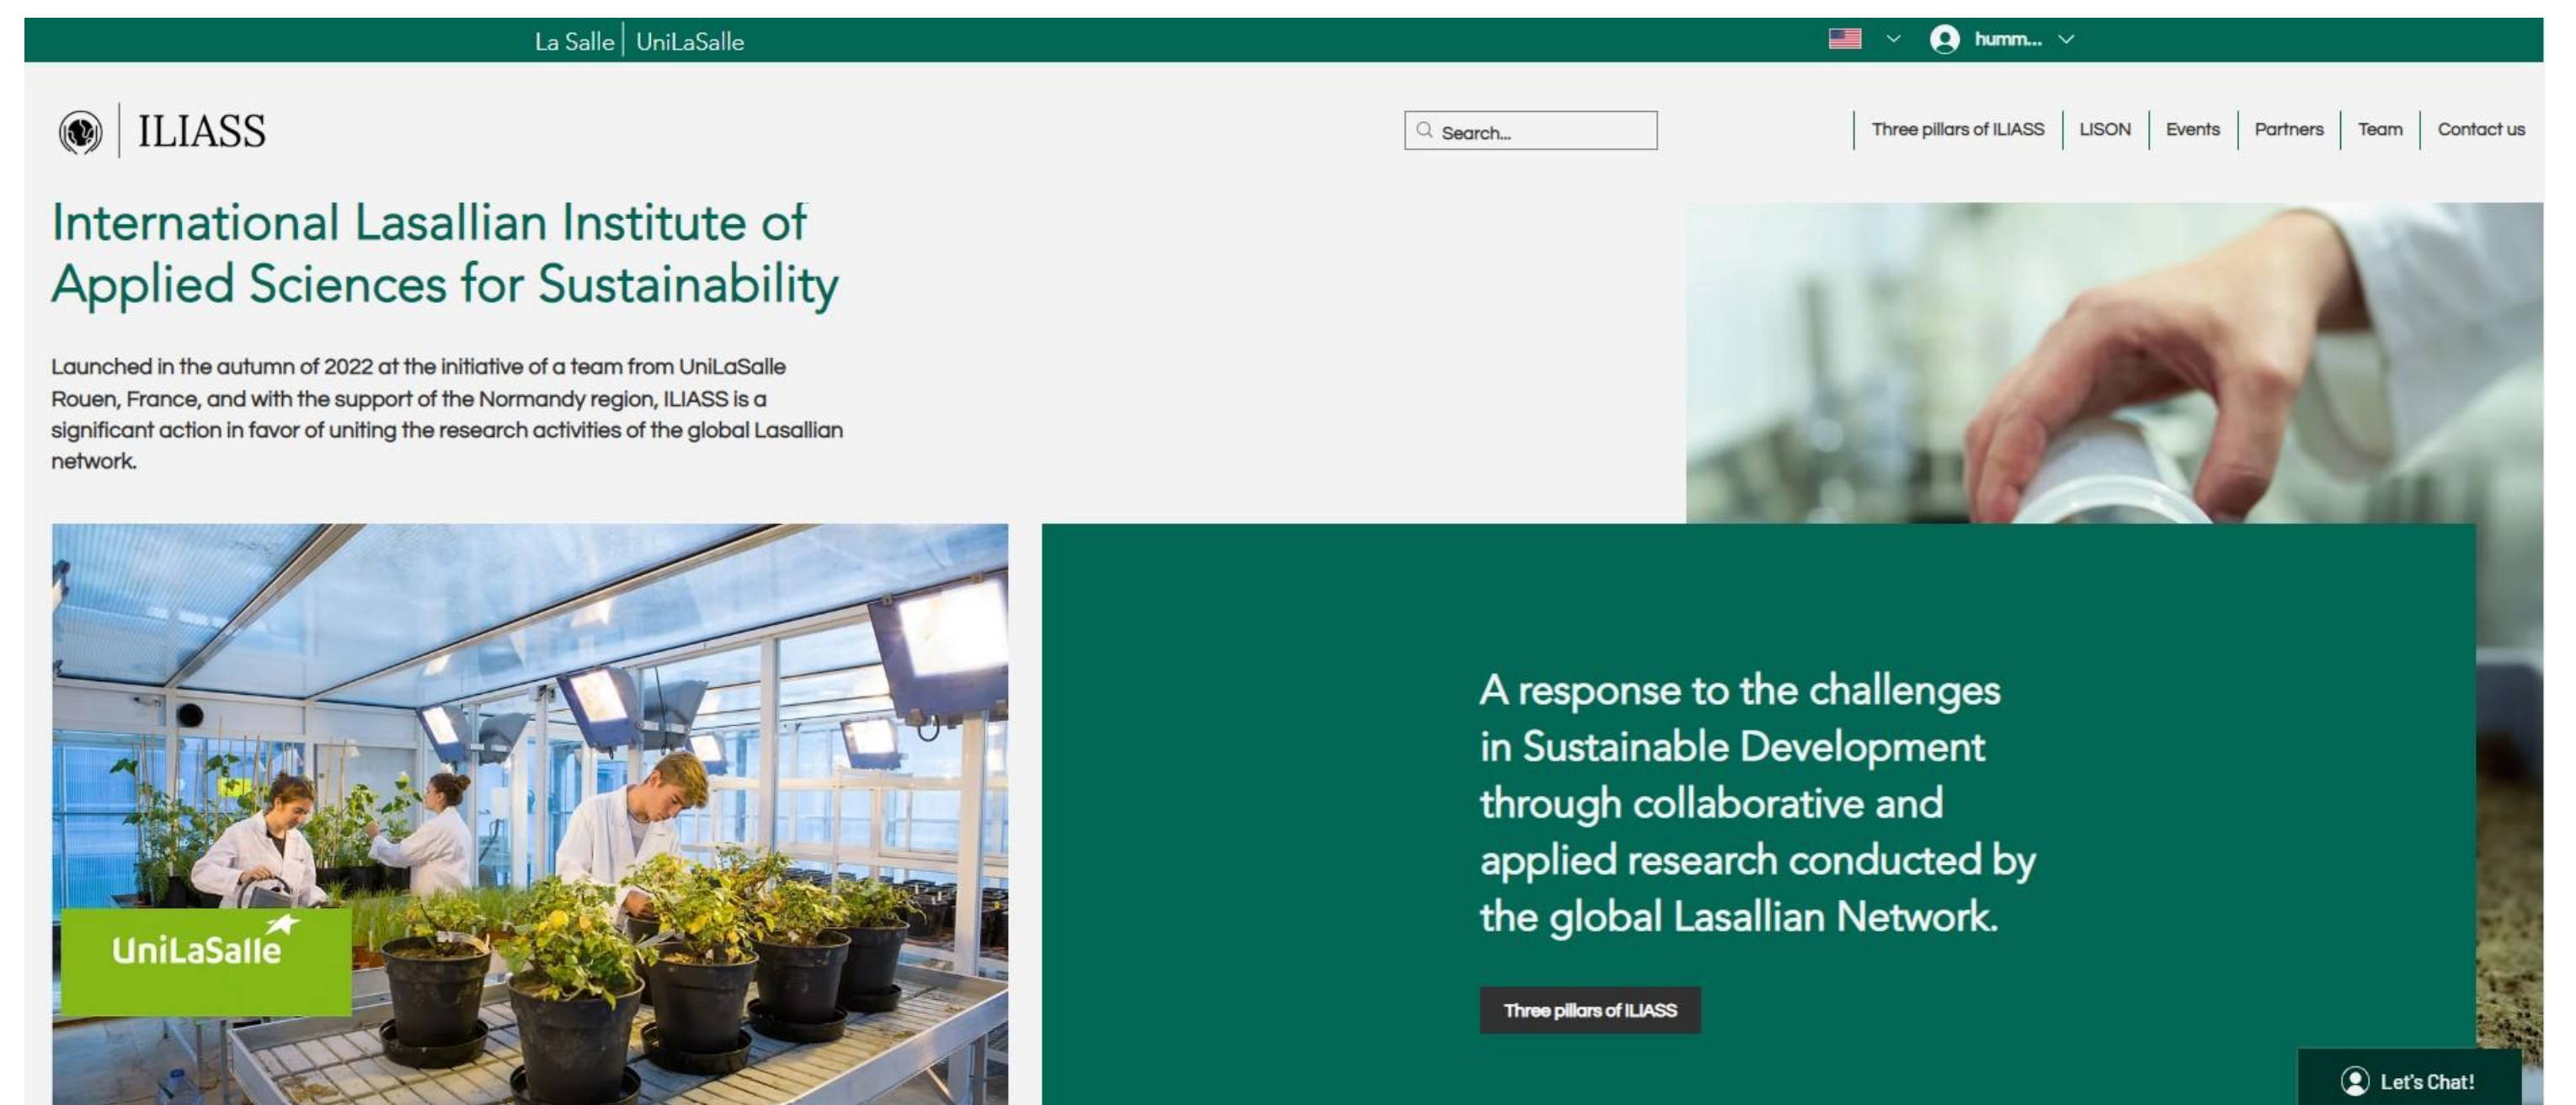

ILIASS

International Lasallian Institute of Applied Sciences for Sustainability

Hummas Sohail, Loïc Sauvée, UniLaSalle Rouen, France

Web site: [ILIASS International Lasallian Institute of Applied Sciences for Sustainability](https://www.iliass.com)

*An e-platform
to bring together the
research activities of all
Lasallian universities
for collaboration & common
projects*

Features of the website

- ✓ Provide information on the project to welcome partnerships
- ✓ Highlighting research activities of each partner university
- ✓ An exclusive member's area for researchers & personnel to sign-up, connect & create work groups
- ✓ Promote events, research conferences & initiatives of the network
- ✓ Currently available in two languages: English & French

Objectives

The three pillars

Sustainable Campuses

Campus audits, transformation, SDGs on campus, academic life of students, reducing the carbon footprint, recycling, and much more...

Education & Training

Teaching differently to produce differently - how sustainable development is taught in our network, the roles of instructors and students...

Research in Sustainable Development

Agroecology & sustainable farming
Circular economy & sustainable cities
Green innovation & ecotechnology

Funded by

École Vétérinaire & Bio-ingénieurs
